** Other Revenue refers to funds that the program reports as being used to run the program that are not CNCS share or match.

NOTE: Some applicants are receiving “fixed amount grants” which do not require reporting on matching funds.

Program Summary

The Minnesota Pollution Control Agency will utilize AmeriCorps members to carry out environmental stewardship projects that build community resilience by increasing energy efficiency and renewable energy use, and improve ecosystems in host communities located throughout the state, with priority given to projects serving disadvantaged populations and addressing the greatest threats. This program will focus on the CNCS focus area of Environmental Stewardship.
